Cally let the council know that Arts for all has a mural that they would like to put up somewhere in Crawford. Cally should the photo of the mural. The council will leave this decision to Bruce, but they think it would be a liability for the town to have something that big somewhere.
5. **ANNOUNCEMENTS**
6. **OLD BUSINESS*** RV development ordinance; the board made more corrections on this ordinance and Cally will make the corrections and get them to the attorney. Some of the items that were discussed were an annual renewal (no fee) this would just give the board the opportunity to meet with the owners to discuss any issues that might come up. The board is

asking that the owners bring in what they are considering for rules regarding length of time someone can stay in the RV park and the condition of the RV. RV rules must be part of the plan they present to the town. Cally will contact Wages.

Capital Improvement Plan – The Board was disappointed in the Capital improvement plan, it basically says what Cally and Bruce have been saying all along. Cally stated that it is not just for present time, but it will help future employees and board members to have a better understanding of the Town.

Out-of-Town water user usage regarding dispenser – After much discussion this item was tabled until Bruce returns so that he can be involved in the discussion. The board wants to make sure that we are covering the expense of the cards and the new equipment that is all part of the system.
