

The Town of Crawford is accepting applications for Public Works Director. This position is responsible for the maintenance and operations of the Town's water and wastewater system, as well as ensuring compliance with the State of Colorado's water quality rules and regulations. The Public Works Director is also responsible for overseeing the maintenance and upkeep of the Town's Streets, Parks, Buildings, and vehicles.

The successful applicant will be motivated, conscientious, and be comfortable working independently while communicating and working with the Town Clerk and reporting to the Town Mayor and Board of Trustees. In order to promote a smooth transition for the new Public Works Director; the selected applicant will work with the current Director for several months to familiarize themselves with the varied aspects of the Town's systems that they will be operating and managing.

At a minimum, the preferred applicant will possess, or will obtain within nine months of hiring, the following licenses:

Water—Class C Operator's license and Class 1 Distribution license

Wastewater—Class D Operator's license and Class 1 Collection

CDL—Class B

Additional qualifications include but are not limited to: computer skills, basic construction, plumbing and mechanical skills, as well as the ability to work with the public in a manner that reflects positively on the Town of Crawford.

Applications will be accepted until April 25th, 2025 or until filled; with the chosen applicant beginning work on June 1, 2025.
