8. PUBLIC NON - AGENDA ITEMS – Liz Heidrick at Needle Rock Mountain Realty told the board that good administration is priceless and that Cally is priceless to this community. She is always very helpful and professional when I contact her with questions. She is very qualified and intelligent. She is starting people at \$20 that do not have the skills that Cally has. It is very important to have the right person at the right price and especially with the cost of living going up and up.
